O R D E R

Ohio County Water District ("District") has filed a motion with the Commission seeking relief from ordering paragraph 4 of the Commission's September 6, 2000 Order in this case. That ordering paragraph required the District to file an income statement and related pro forma adjustments to demonstrate that the approved rates are sufficient to meet operating expenses and annual debt service requirements. The District, however, subsequently filed an application for adjustment of its rates.¹ We find that the information required by ordering paragraph 4 of the September 6, 2000 Order has been filed in Case No. 2003-00034.

¹ Case No. 2003-00034, The Application of Ohio County Water District For (1) Issuance of a Certificate of Public Convenience and Necessity For Construction of the Series III Water System Improvements; (2) Authorization to Issue Series III Revenue Bonds in the Amount of \$1,890,000; and (3) Authorization to Adjust Rates to Pay For the Additional Indebtedness (Order dated November 12, 2003).

The Commission, being otherwise sufficiently advised, HEREBY ORDERS that ordering paragraph 4 of its Order dated September 6, 2000 is vacated.

Done at Frankfort, Kentucky, this 8th day of December, 2003.
